SCIENCE TAKES TO THE STREETS OF LA PALMA

Santa Cruz and **Los Llanos de Aridane** will each host complete 4-day programs:

- **Expo Zone:** Scientific experiences from 10 AM to 8 PM at exhibitor stands.
- **Stage Zone:** Talks, presentations, and screenings during the day; live music starting from 6 PM.

Among the exhibitors are the **Starlight Foundation**, the **IAC**, the **Jane Goodall Institute**, **ITER**, **CTAO** or **The Canary Islands Geophysical Center**.

The wide variety of speakers includes prominent science communicators like **Mar Gómez** (eltiempo.es), space trainer and Olympic athlete **Guillermo Rojo**, CERN Project Manager **Isabel Béjar** among many other incredible speakers.

The nighttime music program will feature bands such as **Shidow**, **Nevada**, **Levanto**, **Terco**, and **Macaca Radiata**.

The Camps will dedicate two days (April 25 and 28 in the morning) to "**INTERSCHOLAR by STARMUS**," an educational program for primary and secondary school students with the participation of an incredible lineup of ambassadors including **Javier Santaolalla**, **Efecto Pasillo**, **Jorge Drexler**, and the **Jane Goodall Institute** with the "**Roots&Shoots**" program.

- **CAMP Santa Cruz:** Plaza de España y Calle Real
- **CAMP Los Llanos:** Plaza de España
